

AGREEMENTS

March 6, 2006

For 9-1-1 Emergency Communications

This agreement is made between the Public Safety Answering Point, hereinafter referred to as "PSAP", and the Adams County EMS, for the purpose of effective handling and routing of 9-1-1 Emergency calls.

CALL HANDLING (Exhibit 8)

Pike County PSAP Center receiving a call for emergency services in your jurisdiction shall dispatch the call in the following manner:

Primary: Radio Frequency 153.755
And/or
Telephone Number 217-222-9360

Secondary: Radio Frequency _____
And/or
Telephone Number 217-222-9360

AID OUTSIDE JURISDICTION BOUNDARY (Exhibit 9)

Once an emergency unit is dispatched in response to a request through the system, such unit shall render its service to the requesting party without regard to whether the unit is operating outside its normal jurisdictional boundaries.

The legislative intent is that 9-1-1 be used for emergency calls only. Therefore, all calls of an administrative or non-emergency nature shall be referred to your agency's published telephone number.

The PSAP Center agrees to keep all records, times, and places of all calls. All records will be available to all participants of the 9-1-1 System.

It shall be the responsibility of your agency to maintain the report of the call and the disposition of each call received.

All agreements, management, records, and service will be the responsibility of the advisory and policy board.

AID OUTSIDE JURISDICTION BOUNDARY (Exhibit 9)

Once an emergency unit is dispatched in response to a request through the system, such unit shall render its service to the requesting party without regard to whether the unit is operating outside its normal jurisdictional boundaries.

The legislative intent is that 9-1-1 be used for emergency calls only. Therefore, all calls of an administrative or non-emergency nature shall be referred to your agency's published telephone number.

The PSAP Center agrees to keep all records, times, and places of all calls. All records will be available to all participants of the 9-1-1 System.

It shall be the responsibility of your agency to maintain the report of the call and the disposition of each call received.

All agreements, management, records, and service will be the responsibility of the advisory and policy board.
